Our Club also gets a small commission off of new and renewal memberships when you go through our club. This can be done at one of the General Meetings or you can go online to our website. Go to the left lower corner of the 'Home' page and click on the Join NRA insignia and you will be linked to the NRA. This link will also work for renewing your NRA membership. By helping yourself you help our club. Please consider that when you renew your SCSC membership.

CANDIDATE BIO FOR DIRECTOR SPECIAL ELECTION

Joe Dumminger

I am 37 years old and I've been a member of the Club since I was 16 years old. I am married and have 3 children my oldest is 6 years old and we have had her out to our ranges teaching her how to shoot and gun safety. As soon as my twin sons get a little older, they will also learn the sport. I have been involved in many projects over the years around the Club. For some of the examples, the new rest rooms, parking lot up grades, the gate system, the ceiling upgrade in the old part of our club house, the wiring for the trap houses to name a few. Currently, I am assisting with getting our new camera system installed. I believe in the second amendment and the right to own and bear arms. I would like to help this Club to continue to be an asset to our community and to help it to stay healthy for many years to come

CANDIDATES FOR BOARD OF DIRECTOR

MaryAnn Miller

I am completing my first term on SCSC II Board of Directors. I have also served as the Youth Shooting Director for SCSC II for approximately 13 years. I am very involved in promoting the shooting sports to youth through Sandusky County 4H Shooting Sports, and I am a 4H advisor for Target Masters 4H Club that holds their meetings at SCSC. Teaching our young people to be responsible with firearms is so important! I look forward to getting more SCSC families involved in our shooting programs. There are opportunities for men, women and youth to experience the shooting sports. I would like to utilize our vast knowledge and experienced members to teach others. The future of our club and the shooting sports depends on our actions. We must be good stewards of the club and share our love for the shooting sports with others. If I'm elected for a 2nd term, I will continue to give it 100%

Mark Lucas

I am running for a seat on the Sandusky County Sportsmen's Club Board of Directors. I have been an active member in the club since 2015 and I am currently finishing up a 3-year term as Director. I shoot several disciplines at the club each month. I have also been an active Muzzle loading Rifle Shooter, NRA High Power Rifle Shooter, Hunter and Lake Erie Fisherman. I have been a Life Member of the NRA for the last 45 years. I worked as a Law Enforcement Officer with the Dayton Police Department and retired from there in May of 2000 with 30 years of service. My primary duties were in the Firearms Training Unit, the SWAT/TRT Unit and the Bomb Squad. In May of 2000, after retiring from Law Enforcement, I went to work with the Glock USA as a District L.E. Sales Manager and a Firearms L.E. Training Instructor. I worked for Glock in those positions for nine years. In January of 2009, I went to work for Sig USA as a Regional Law Enforcement Sales Manager and was promoted to Director of Law Enforcement Sales in 2011. I retired from the Sig USA in September of 2014. As a member of the SCSC II Board of Directors, I promise to support the efforts of the club and continue to work to improve the ranges and grounds of the club.

President's Comments

Another year in the books for us here at SCSC II. As always, we made some good strides in improving the property and making it safer for our members. Cowboy town was opened back up to recreational shooting with the addition of the short-range berms along with the addition of material to the side berm separating the 300 & cowboy.

Our camera project is on-going and with the cold weather closing in it will carry into 2026 for completion. When we have more updates those will be forwarded onto the members.

The gun shows this year went well with the addition of new vendors and having a packed house for both the Spring & Fall dates. The Friday evening & Saturday structure seems to be working well. We just need the weather to cooperate in our favor. This is an event where you want poor weather outside.

Speaking of poor weather and a monthly carryover this time of year, it's going to start getting wet & soggy out there on the ranges. Please be mindful of where you are driving and stay off the grass areas at all times to mitigate ruts & damage to the grounds. Our ground-keeping crew will be forever grateful. They have done a great job this year in making this one of the nicest facilities around.

Big thank you to our wonderful membership for a great 2025. Have a Merry Christmas & Happy New Year. Let's make 2026 one of our best yet and we will see you in January.

Thank you,

Jeremy Velliquette

President
